

KFB1512VX / KFB1524VHX

Feature

- Good Sound Quality
- Compact / Light Weight (< 1 kg)
- High Performance
- Optimum Electromagnetic Compatibility

Model		Dimensions	Rated Voltage	Rated Current	Rated Input Power	Speed	Torque	Efficient	Noise
PART NO.	Function	mm	VDC	Amp	Watt	R.P.M.	N-m	%	dB-A
KFB1512VX	PWM	Ø150x60	13.5	19	257	3950	0.5	80	Note

- The current and speed are measured in free air, max. air pressure is measured at zero air flow
- All readings are typical values at rated voltage.
- PART NO. above just for discussion reference
- Noise base on system measurement by customer request
