

LED Headlamp is a cutting-edge application, it's a way to the future today. It actually save fuel and cut CO2 emissions. Delta's high-efficient BLDC fans actively cooled the LED driver to secure optimal LED Headlamp performance.

BGDC fan for LED headlamp

Feature

- Low Vibration / Low Noise
- Wide Operating Temperature
- Good Sound Quality
- High Performance
- Optimum Electromagnetic Compatibility

Model		Dimensions	Rated Voltage	Rated Current	Rated Input Power	Speed	Maximum Air Flow	Maximum Air Pressure	Noise
PART NO.	Function	mm	VDC	Amp	Watt	R.P.M.	CFM	In H ₂ O	dB-A
EFB0412VHD	F00	40x40x20	13.5	0.15	2.03	9000	9.73	0.347	34
BFB0512HH	F00	52x54x25	13.5	0.24	3.24	5800	8.23	0.880	44
